

# SOC - Security Operations Centre

24x7 Services

## Monitor your IT security

### CHALLENGES

Increasing number of cyber threats

Complexity to monitor multiple environments

Attacks usually occur outside business hours

Security breach forensic investigations require a lot of time and expertise

### SOLUTIONS

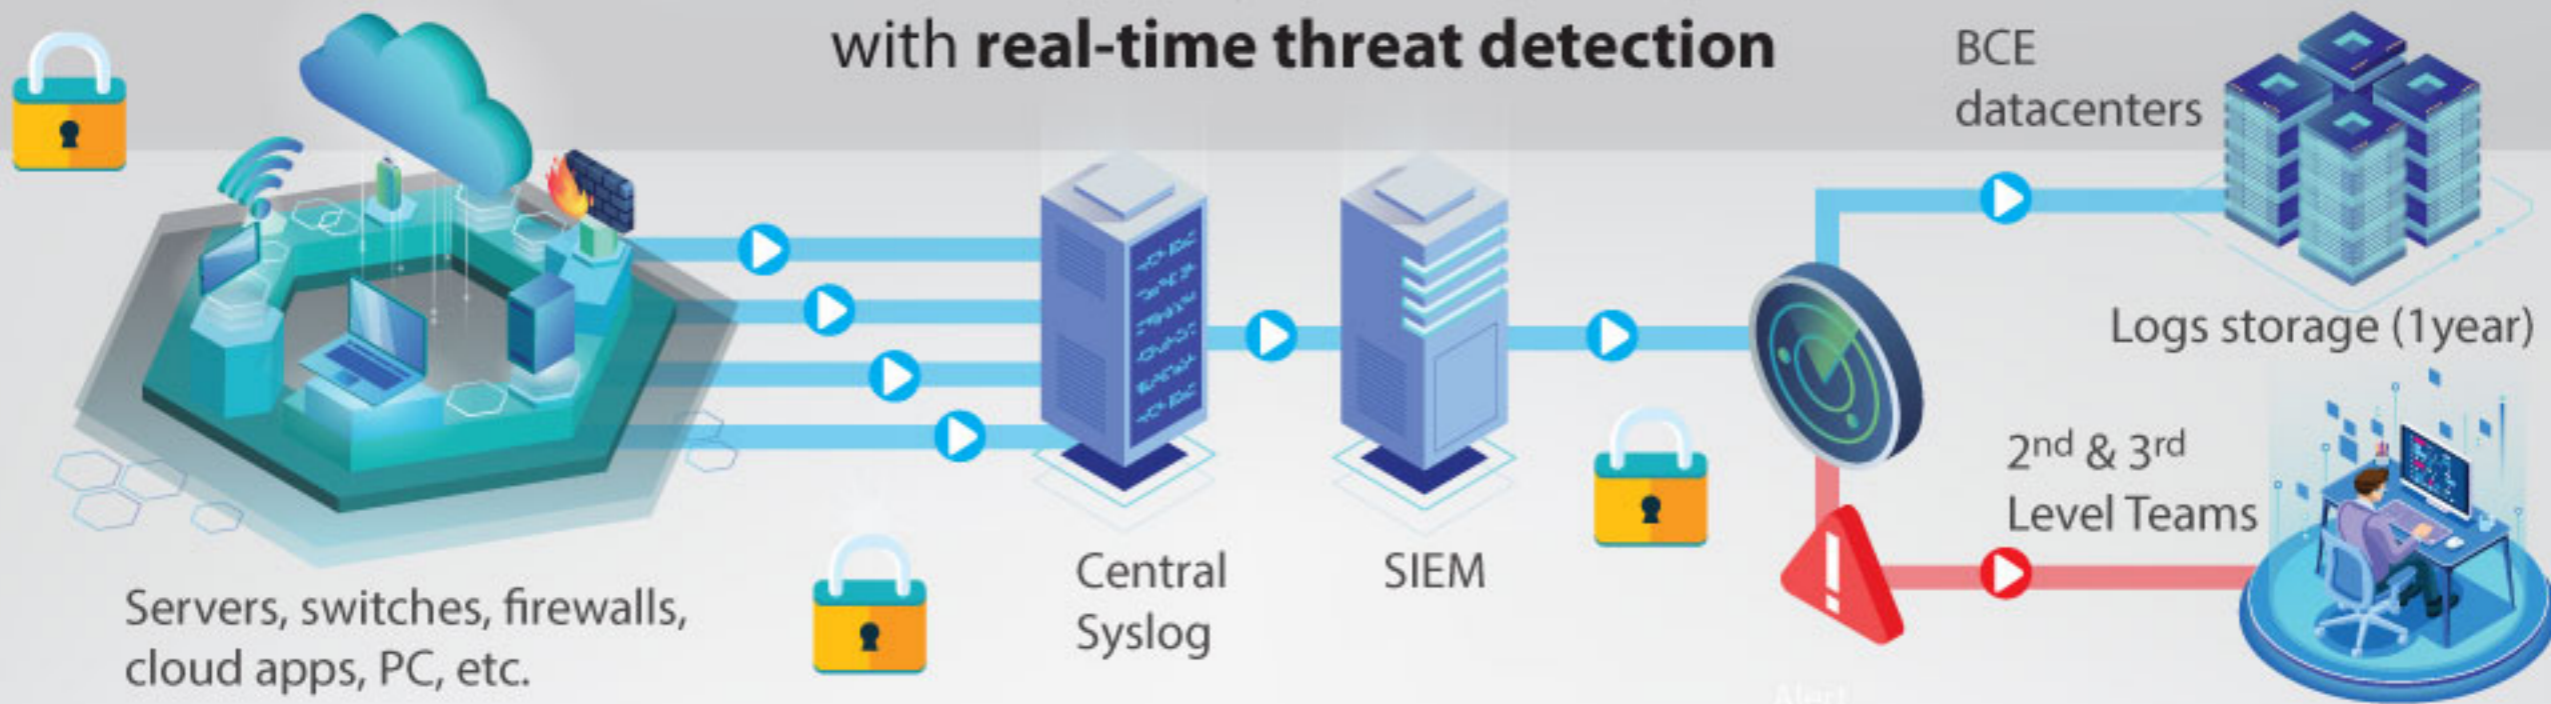

Centralization of logs and ability to track company activities

Security incidents monitoring as-a-service

Automatic analysis of logs in real-time 24x7

Security experts readily available

Consolidation of your logs in one place with **real-time threat detection**
